

# NANCY'S MONTHLY FORECAST

2016 is ruled by the vibration of the Universal Number Nine, the vibration of of Universal love and brotherhood. Of all the single digit numbers, Nine vibrates at the highest level. It mandates tests of the soul and mastery of our experiences of the past eight years. Our path can present major challenges, but our rewards can be equally large. Keeping love, compassion and forgiveness in our hearts allows us to transit Nine's energy in a way that helps us to pass our tests with greater grace and ease.

## N-SIGHTS FOR JANUARY 2016

### NEW BEGINNINGS

#### The Number Codes for January

The Universal Number Code for January in this year of 2016 is Ten ( $9 + 1 = 10$ ), which reduces to One ( $1 + 0 = 1$ ), the same number that we use to write our calendar month. One always indicates new beginnings, leadership, initiative and originality.

January's (the word's) Soul Number is Five, the number of innovation, birth, risk-taking, adventure, salesmanship, and the unexpected.

January's (the word's) Letter Sum as a single digit is Nine the number of completion and the same vibration as our Universal Year Number. At its highest compound sum, however, the Letter Sum is Twenty-Seven which corresponds to the Ace of Wands in tarot symbolism. The classic illustration for the Ace of Wands is a branch with green leaves as an indicator of new things beginning to sprout.

#### How January adds up:

Your "instruction manual" for January is short and sweet. It can be a good time to plan activities for the time period between now and the end of September. However, because Mercury is retrograde between January 5 and January 25, it's best to wait until the New Moon on February 8 to implement your ideas and go forward. (Note: February 8 also marks the beginning of the Chinese New Year.)

#### The Bottom Line This Month –

This is an excellent month for organizing your life for the rest of the year and getting your "to do" list in order. February, however, is more favorable for actually going ahead with your plans. So take it easy, go at your own pace, and invoke that all is in Divine perfect order – and it will be so!

Postscript: You may find this is a good month for trying new things. For example, I went grocery shopping and found myself purchasing things I had not previously experienced – a new kind of tea, a new snack food, etc. In addition, the One energy may influence your mood – or the moods of others. One in extreme can be anger or irritation. So if you find yourself becoming irritable or others becoming irritated with you, it's time for a "time out" and some angel therapy to restore your balance.
