

# THE KEYS TO YOUR HEART'S DESIRE

## INTRODUCTION

"Tell me, what is your heart's desire?"

Can you imagine a fairy godmother standing over you with her wand? What is your reply? Take a minute to think about what it is your truly want.

If you're like many people, you may request things such as "money", "outstanding health", "a new car", "my soul-mate", "a vacation", "my dream job", "a beautiful home" – or even things like "world peace", "the end of poverty", "a pristine earth".

Is there a "right" or "wrong" answer? To my mind, there is not. All of the above can be valid desires for all of us to have.

The only thing that should be "right" is that the answer is authentic to *you* -- and not be what you think you *should* say.

This book is all about your connecting with your heart's desire on the very deepest level of your soul and discovering the truth of who you really are.

Is it your heart's desire to master leadership?

Is it your heart's desire to master partnership harmony?

Is it your heart's desire to master creativity and self expression?

Is it your heart's desire to master structure and financial security?

Is it your heart's desire to master the creative use of freedom?

Is it your heart's desire to master meeting responsibilities to others?

## THE KEYS TO YOUR HEART'S DESIRE
